

Yundool Yard Dog Trail 10th of April 2021

We were very pleased with the Trial held here yesterday, great atmosphere, great people and some top class dogs.

Thanks to the sponsors Coprice and Violet Town Concrete Industries. Extremely grateful to the Beggs family from St James for supplying some real Trial sheep. A lot of people took the time to help on the table or in the let out and that makes running a Trial so much easier so thank you. Roland Pell and James Fowler both did a tremendous job judging as always. We ran the Trial to raise funds for the Devenish, Dookie and District Good Friday Appeal and we managed to raise \$1,660. So well done to all the members of the VYUFDA that contributed and competed on the day. We were lucky to have Neil Lonie and Paul Durden in attendance representing the Appeal group and we thank you both not only for what you do for the Good Friday Appeal but also for what you do right across the local community.
